

## *On-line Workshops*

**For educators and health professionals:  
Increase your comfort, knowledge and skills in teaching  
human sexuality education.**

Our online workshop focuses on values clarification, educational theories, the importance of comprehensive human sexuality education, learning outcomes and instructional methods. You will also learn how to create a safe comfortable classroom environment, how to answer student questions, how to inform and support parents and finally how to access resources.

## **2009/2010 workshop dates:**

- 1.) October 5, 2009 – November 1, 2009
- 2.) March 1, 2010 – March 28, 2010

**The workshop is comprised of four modules that each take approximately one hour to complete.**

- The cost of the workshop is \$65 or 3 for \$180
- Alberta Society for the Promotion of Sexual Health (ASPSH) members- \$10 per module. Most workshops are 3 and sometimes 4 or 5 modules with a total cost of \$30, \$40 or \$50 per workshop. Special price of 3 workshops for \$75.
- Membership is \$30/year or \$75 for organizations with access for up to 10 staff.
