

On-line Workshops

**For educators and health professionals:
to increase their comfort, knowledge and skills in
teaching human sexuality education. Each workshop of
the two part series is available for a month. Each
workshop consists of three modules that take
approximately one hour each to complete.**

The first of the two-part series

Workshop #1-Preparing Yourself

Focuses on values clarification, educational theories, the importance of comprehensive sexuality education, learning outcomes and instructional methods. This workshop will be offered ***October 1st-31st, 2007.***

The second of the two-part series

Workshop #2- Preparing Students and Parents

Focuses on creating a safe classroom environment, how to answer students questions, teacher FAQ, how to inform and support parents and access resources. This workshop will be offered ***November 1st-30th, 2007.***

Introductory offer

- \$65 per workshop and \$125 for both workshops.
- Alberta Society for the Promotion of Sexual Health (ASPSH) members- \$30 per level or \$50 for both. Membership is \$30/year or \$75 for organizations with access for up to 10 staff.
